children do not become artists overnight there are a number of different things which help them improve their drawing skills without practice they will not improve without dedication their technique will not develop and without a simple step by step guide like this one which is designed to make drawing fun they will not be passionate one important thing to remember is that no child will create perfect sketches when we are younger it is in our nature to be messy and to experiment as we learn this means that as a parent or guardian teaching your children to draw requires a lot of patience it is likely that your children will want to produce quality drawings straight away and may become frustrated when they cannot do this as well as you

can this is why having a guide such as this one is so important it teaches kids that learning to draw does not happen at once
