the central part of new york state the homeland of the oneida haudenosaunee people helped shape american history this book tells the story of the land and the people who made their homes there from its earliest habitation to the present day it examines this region's impact on the making of america from its strategic importance in the revolution and early republic to its symbolic significance now to a nation grappling with challenges rooted deep in its history the book shows that in central new york perhaps more than in any other region in the united states the past has never remained neatly in the past land of the oneidas is the first book in eighty years that tells the history of this region as it changed from century to century and into our own time

nothing is more anathema to a serious radical than regionalism berkeley english professor henry nash smith asserted in 1980 although regionalism in the american west has often been characterized as an inherently conservative backward looking force regionalist impulses have in fact taken various forms throughout u s history the essays collected in *regionalists on the left* uncover the tradition of left leaning western regionalism during the 1930s and 1940s editor michael c steiner has assembled a group of distinguished scholars who explore the lives and works of sixteen progressive western intellectuals authors and artists ranging from nationally prominent figures such as john steinbeck and carey mcwilliams to equally influential though less well known figures such as angie debo and américo paredes although they never constituted a unified movement complete with manifestos or specific goals the thinkers and leaders examined in this volume raised voices of protest against racial environmental and working class injustices during the depression era that reverberate in the twenty first century sharing a deep affection for their native and adopted places

within the west these individuals felt a strong sense of avoidable and remediable wrong done to the land and the people who lived upon it motivating them to seek the root causes of social problems and demand change regionalists on the left shows also that this radical regionalism in the west often took urban working class and multicultural forms other books have dealt with western regionalism in general but this volume is unique in its focus on left leaning regionalists including such lesser known writers as b a botkin carlos bulosan sanora babb and joe jones tracing the relationship between politics and place across the west regionalists on the left highlights a significant but neglected strain of western thought and expression

during the 1930s radical young writers artists and critics associated with the communist party animated a cultural dialogue that was one of the most stimulating in american history with the dawning of the cold war however much of their work fell out

Right here, we have countless books **North Star Country** and collections to check out. We additionally offer variant types and after that type of the books to browse.
